

SOLICO GROUP

Catalogue Winter 2023

HISTORY

- In 1980, Solico was founded by Mr. Gholamali Soleimani.
- Solico started its operation with meat and marine products (hamburger, sausages, tuna).
- By 1988 Solico had established 8 factories across Iran.
- In 1991, the Dairy factory started operating in North of Iran producing cheese, yoghurt, milk, ice-cream, and milk powder, starting with a milk reception of 3 liters a day.
- In 2000, Solico started the Route-To-Market project, as one of the first FMCG companies in Iran, with over 120,000 outlets.

MISSION

Providing people with choice and variety through high quality food, while supporting innovation and employment.

VISION

- Creating global brands
- Dominating Middle East and global market
- Improving life standards
- Becoming a sustainable enterprise
